SKILLS SUMMARY

- **Languages:** C, C++, Python
- **Web Development:** HTML5, CSS3, Javascript
- **Tools/Platforms:** VS CODE, Git, GitHub
- **Database:** MySQL, PostgreSQL
- **Soft Skills:** Team Collaboration, Problem-Solving, Time Management, Analytical Thinking

PROJECTS

Charge Theft Detection Using IOT | Arduino, ESP8266,ACS712

Apr 2025 - Jun 2025

- Developed an IoT-based electricity theft detection system using Arduino UNO, ESP8266, and dual ACS712 current sensors to identify abnormal current discrepancies.
- Implemented threshold-based current comparison between transformer and consumer sides to detect potential electricity theft and trigger local alerts.
- Enabled real-time remote monitoring by transmitting sensor readings and theft alerts through the ESP8266 Wi-Fi module to a server/web dashboard.

Chess Game | HTML, CSS, Javascript | [Github](#)

Sep 2025 - Oct 2025

- Developed an interactive browser-based chess game using HTML, CSS, and JavaScript to practice programming logic and dynamic webpage manipulation.
- Created an interactive chessboard with clickable pieces and implemented piece-movement logic based on chess rules.
- Used JavaScript event handling and DOM manipulation to manage player interactions and game flow.
- Designed a clean and intuitive interface while strengthening problem-solving, debugging, and JavaScript programming skills.

Amazon Clone | HTML, CSS | [Github](#)

Sep 2025- Oct 2025

- Developed a responsive e-commerce front-end recreation of the Amazon homepage using HTML and CSS, focusing on structured layouts and modern web design fundamentals.
- Designed a responsive navigation bar with search and category sections, along with product sections containing images, titles, and pricing layouts.
- Implemented promotional banners and organized content sections with consistent spacing, typography, and visual hierarchy.
- Applied CSS Flexbox and responsive design techniques to create a smooth and consistent interface across different screen sizes.

TRAINING

Career Development Program (CDP) – WNS Care Foundation | [Certificate](#)

Jul 2026

- Trained 30+ students through structured learning sessions, facilitating knowledge sharing and practical skill development.
- Delivered interactive training sessions focused on strengthening students' understanding and application of key concepts.
- Developed communication, leadership, mentoring, and team-management skills through direct student engagement and training delivery.

CERTIFICATES

- C Programming - iamneo | [Certificate](#) Aug 2026
- Introduction to python -Infosys Springboard | [Certificate](#) Oct 2025
- C++ Programing- Infosys Springboard | [Certificate](#) Jun 2026
- DSA - Infosys Springboard | [Certificate](#) Jul 2026

EDUCATION

- **Lovely Professional University** Phagwara, Punjab
Bachelor of Technology - Computer Science and Engineering
CGPA: 9.62
2025-2029
- **BCM School** Ludhiana ,Punjab
Intermediate (CBSE)
Percentage :88.8 %
Apr 2023 – Mar 2024
- **BCM School** Ludhiana,Punjab
Matriculation (CBSE)
Percentage: 97%
Apr 2021 – Mar 2022
